

"Mobile advertising displays boost name recognition 15 times greater than any other form of advertising."

-- Product Acceptance and Research, Inc.

**Pick one design:**

- Full graphics wrap ... partial front, sides and rear: \$1,300** (One time fee due now)

Graphics wrap includes partial front, sides and rear with complex photos or logos applied on the entire Quovis and windows. The photos or graphics when applied on the exterior windows allows the driver to see out with full visibility. Motor Vehicle Regulations do not allow graphics on the windshield. Price assumes that Business has art work designed and it is photo ready. If the art work is not complete then additional design time is billed on an hourly rate.

- Graphics and lettering on front, sides and rear: \$900** (One time fee due now)

Business has completed photo ready art work and /or logos. If the art work is not complete then additional design time is billed on an hourly rate.

- Lettering on front, sides and rear: \$600** (One time fee due now)

- Lettering plan filled out below**
